This year has been very healthy, no epidemical disease has been suffered to come in among us to destroy our happiness. - Let all mankind improve their health to the glory of their Maker. - Nathan Johnson

Burials in Southborough in 1795. Mr Nathan Bridges fr. Child Rannah Johnson My sister Mr Nathaniel Chamberlain 1 March 4 2 March 11 3 April. Mr Amos Newton 4 May 20 5 May 22 Mrs. Rebeckah Chamberlain Mr Nathaniel Chamberlain's Child 6 June. Mr Lemuel Newton's Widow

Mr James Williams Aged 48 +

Mr William Champney's Infant 8 Oct. 22 9 0 A. 27 t What is here extraordinary to be remarked of this gentleman, is, that he was one of the most confulent persons, perhaps, in the country. - He weighed in March last 430 Lounds, and it is altogether likely that when he died he weighed much more. - His coffin was nearly two feet deep, and almost three feet across the shoulders. He was taked after his death and nearly two pailfuls of matter was extracted from him. -He left a widow, and one son . -

the circumstances of Mr Sarker's death are remarkable.—
The and his brother Edward made a "shooting" as it is called, at Rapt Benjamin Darker's house. It freed his gun Bullard with many others attended. The fixed his gun several times: his gun, however, soon refused to go off, and while he and Stilman Onthank were screwing in a new flint his gun immediately discharged, and the fatal ball entered said Jarker's left ear and came out at his right eye. The fell flat on the ground and, without a struggle or grown, expired in about three hours.—
The was the son of Mr Josiah Darker of Lunenburgh, Ut.
